Pradhan & Associates is a full service commercial law firm. Our practice focuses in all areas of domestic and international commercial laws with expertise in aviation, telecommunications, technology, banking, corporate finance, merger & acquisitions, intellectual property, capital markets and securities, antitrust and competition, infrastructure development, commercial litigation, arbitration, international transactions, etc. We offer professional services primarily to foreign companies and international institutions as well as individual clients. We have represented many Fortune 500 companies.

Our firm has consistently been recognized as a leader in the area of aviation law by major international legal directories. Our aviation practice has gained unparalleled recognition in the international aviation market and has been highly praised by our clients, aviation lawyers and major international legal directories. We are recognized by the International Who's Who Legal, based on peer recommendation, as the leading aviation law firm in Nepal and the member of our firm as the leading aviation lawyer in Nepal.

We handle contentious as well as non-contentious work in aviation sector. In non-contentious sector, we advise and represent primarily aircraft and engine manufacturers, foreign aircraft owners and leasing corporations, airlines, brokers in transactional, commercial and regulatory matters and represent them before various regulatory agencies. We have expertise and seasoned experience in handling complex transactions for small as well as large commercial aircraft, aircraft engines and helicopters. In contentious sector, we handle matters relating to aircraft leasing disputes, air carriers' liability, accident investigation, accident litigation, etc. Our lawyers are well-versed in and have in-depth knowledge in all aspects of domestic and international aviation law. Our lawyers have widely published scholarly articles on

various areas of Nepali aviation law as well as on the key issues of international aviation law in various international law journals and prestigious international publications which include, among others, Journal of Air Law & Commerce, Getting the Deal Through – Air Transport, etc.
